This is to advise you of the intent of the Honolulu District to utilize the provisions of Article 12.5.C.5 to involuntarily reassign up to eighteen (18) full-time clerks from the craft and/or installation at the Honolulu Bid Cluster. The basis for this action is a F1 baseline showing a need to reduce on rolls full-time clerk staffing by fourteen (14) employees (Event 41263) and a Function 4 Customer Service Variance Staffing Review showing a need to reduce the on rolls full-time clerk staffing by four (4) employees (Event 41264).

The impacted employees will be notified of their involuntary reassignment by separate letter. Based upon the availability of residual/withheld assignments, it may be necessary to utilize the provisions of Article 7.2.B of the National Agreement to detail some or all the impacted employees in order to provide them with a work opportunity until a residual/withheld assignment can be identified for placement.

By copy of this notice, we will withhold up to eighteen (18) residual assignments in the clerk, carrier, mail handler and/or custodial craft in sites within a 50 mile radius of the impacted bid cluster for placement of the impacted clerks.

Attached you will find copies of the automated impact statement, the operational data that supports the excessing, the list of sites at which withholding has been authorized and the names of the junior impacted full-time clerks.
