Dear Mr. Gonzalez:

Regarding the need to expand the withholding radius for this event, attached is a copy of the withholding events for the Seattle, Big Sky, Nevada Sierra, Portland, and Salt Lake City Districts. Also, enclosed is a copy of the withheld jobs in those districts.

I would appreciate your input into this matter that we might take appropriate action as soon as possible.

Sincerely,

RE: Seattle Withholding

Dear Mr. Foster:

This responds to your November 23, 2009 letter regarding the above referenced matter. It is not clear from your Letter if the Employer is in need of expanding the radius for withholding to the Seattle AMP closure or to a more current event for which no Area/Regional Article 12 meeting has yet taken place.

Furthermore, you included in your letter and mailing sheets containing only the name of offices and function and a brief explanation of the operational change and the district for Big Sky, Nevada Sierra, Portland and Salt Lake City. It is not clear if the Employer is in need to expand the radius for these Districts. Certainly your letter does not clarify this issue nor do any of your enclosures.

Moreover, the completion dates for the majority of events for the offices in your November 23, 2009 attachments have expired. The CBA/JCIM requires the information be updated periodically and provided to the union at the regional/area level. The Region requested updated Impact Statements for all the offices.

Also, the events calendar does not list all the impacts on your 11-23-09 sheets. The Regional requests and updated calendar events and a Area/Regional labor management be held before any involuntary reassignment. The sooner the Area/Regional meeting can be practicably scheduled the better to insure the principles of Article 12 are met.

Sincerely,

*Omar M. Gonzalez*
