

Older Americans Month Unleash the Power of Age

Whereas

The great contributions of older Americans are honored in May, and

Whereas

Retired postal workers helped build the American Postal Workers Union, making it the powerful union it is today, and

Whereas

Retired postal workers continue to strengthen the union by contributing to COPA (Committee on Political Action), lobbying in support of our legislative agenda, organizing locally, and participating in APWU and AFL-CIO activities; and

Whereas

APWU retirees have been pillars of support to their children, grandchildren and communities,

Therefore Be It Resolved,

That the National Executive Board encourages all state and local affiliates and retiree chapters to celebrate the countless contributions APWU retirees have made and continue to make to the APWU, the labor movement, their communities, their families and their nation.

Adopted by the National Executive Board January 8, 2013
