Dear Local/State President:

I am writing to thank you for your hard work in making our September 27 rallies to Save America's Postal Service a success, and to ask you to follow up by circulating and obtaining signatures on the enclosed petition to Congress, which opposes USPS plans to close post offices and mail processing facilities and make drastic cuts in service to the American people.

Please reproduce this petition and get as many of your members as possible to ask their friends and family to sign. If every APWU member filled up one petition, we would have nearly two million signatures.

It is urgent that we bring as much political pressure as possible to bear against the Postal Service's plans to dismantle its network of processing, distribution and retail facilities.

Please return the completed petitions by Nov. 14 to:

Save America's Postal Service
American Postal Workers Union
1300 L Street NW
Washington, DC 20005

APWU headquarters will make sure that House and Senate members receive petitions collected in their particular districts or states.

With your help, we will continue to fight the assault on this vital institution that serves the American people so well, and provides each of us with a livelihood worth fighting for.

In solidarity,

Cliff Guffey
President
