## For Members Only!

Becoming an APWU member means joining together for the common good: better wages, working conditions and benefits. But APWU benefits go beyond the workplace, with additional benefits to improve our members' lives at home. Our power in numbers enables us to negotiate great deals on consumer services we use every day.

Union Plus® programs are designed exclusively for APWU members and their families, with discounts on everything from entertainment to travel, to help buying a home, or sending your child to college.
