Dear Mr. Burrus:

This letter is an informational notice of the completion of the U.S. Postal Service's Area Mail Processing (AMP) studies of mail processing at the following facilities:

- Aberdeen, South Dakota Post Office
- Sioux City, Iowa Processing and Distribution Center

After carefully reviewing and weighing all of the factors, including input from the public, the Postal Service has decided not to implement these AMP proposals at this time.

If there are any questions concerning these AMP studies, please contact Jacqueline Adona of my staff at (202) 268-3800.

Sincerely,

John W. Dockins
Manager
Contract Administration (APWU)
