RE: FOIA request

Dear Mr. Dimondstein,

Please find enclosed a CD containing a second production of documents. The Commission, in consultation with the Postal Service, discovered that some redacted documents (previously provided to you) may be further un-redacted. These documents are numbered 1 and 50-60.

Also enclosed is a revised Vaughn index. The revised index cross-references duplicate documents and corrects minor discrepancies with respect to document names.

With kind regards,

A handwritten signature in blue ink, appearing to read "Ruth Ann Abrams".

Ruth Ann Abrams
Assistant Secretary and Chief FOIA Officer
