This is to advise you of the intent of the Bay Valley District to utilize the provisions of Article 12.6.C.5 of the National Agreement to involuntarily reassign up to twenty-two (22) full-time mail handlers from the craft and/or installation at the San Francisco NDC bid installation (Event 62655). The basis for this action is the current workload no longer supports the current on rolls complement.

The impacted employees will be notified of their involuntary reassignments by separate letter.

By copy of this notice, we will withhold up to twenty-two (22) full-time residual assignments in the mail handler, and/or custodial crafts in the sites within a 100 mile radius of the impacted bid cluster for placement of the impacted employees.

Attached you will find copies of the automated impact statement, the operational data that supports the excessing event, the list of sites at which withholding has been authorized and the names of the junior impacted employees.

Please include this impact on the agenda for our next meeting. If you have any questions you may contact me at (858) 674-3193 or Carmen Rodriguez, Area Complement Coordinator at (858) 674-2604.
