The Function 3B complement, workload and staffing package of the Phoenix P&DC encompasses twenty-one buildings (the main office and twenty stations/branches). Custodial staffing documents (PS-4852s) were submitted and reviewed by District maintenance personnel and discussed with Local and/or Area personnel in October 2019. eWHEP documents were submitted and previous validated data was used for any eWHEP sections not submitted. All submitted documentation was analyzed using the requirements of MS-47, MMO-102-18, MMO-110-09 and other appropriate criteria. A copy of this correspondence has been provided to and/or discussed with local or District maintenance management. Additional results and recommendations of our analysis are as follows:
