

Hands off! our public Postal Service!

The Postal Service is facing one of the most serious threats in our history. Our message is clear: "Hands off Our Public Postal Service - U.S. Mail is Not For Sale!"

**POSTAL WORKERS AND COMMUNITIES STAND TOGETHER
TO ENSURE OUR POSTAL SERVICE STAYS IN THE HANDS OF
THE PEOPLE, NOT THE BILLIONAIRES.**

The Trump administration is openly advocating to privatize - in whole or in part - the public Postal Service, breaking it up and selling it off to billionaires.

Now more than ever, let's stand together to protect our public Postal Service. Join postal workers for a day of action on March 20.

The American people deserve a Postal Service that remains true to its public mission and continues to serve communities across the country, no matter where you live.
