Dear Mr. Wilson:

On November 1, 1982, you met with Joan Palmer for a pre-arbitration discussion on the above-referenced case.

The question raised in this grievance involved the cost of replacing identification badges.

During the discussion, it was agreed that, as set forth in Section 273.272 of the Administrative Support Manual (ASM), the charge for each replacement of a lost Postal Service identification badge is \$1.

It was also agreed that, in full and final settlement of this grievance, action will be taken to comply with the above-referenced section of the ASM. Each employee at the Miami Post Office who provides proof of paying more than the \$1 fee (beginning 14 calendar days prior to the filing of this grievance) shall be reimbursed the amount in excess of \$1.

Accordingly, this case is being returned to Step 3 for compliance with this resolution.

Please sign and return the enclosed copy of this decision as acknowledgment of your agreement to resolve this case.

Sincerely,
