Dear Mr. Kaczor:

On March 11, 1980, we met on the above-captioned case at the fourth step of the contractual grievance procedure set forth in the 1978 National Agreement.

During our discussion, we concluded that at issue in this grievance is whether the subject employee was properly credited sick leave.

After reviewing the information provided, it is our mutual position that Part 513.21 of the Employee and Labor Relations Manual clearly states part-time employees will be credited one hour for each unit of twenty hours in pay status for each pay period. Accordingly, with this understanding, we agreed to consider this grievance closed.

Please sign the attached copy of this letter as your acknowledgment of the final disposition of this case.

Sincerely,

  
Daniel A. Kahn  
Labor Relations Department
