Re: Class Action

Dear Mr. Lingberg:

On July 6, 1984, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

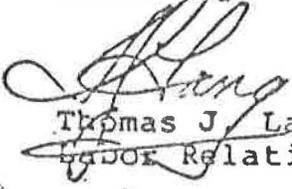

The issue in this grievance is whether management is obligated to post full-time employees work schedules on bulletin boards.

The union contends that all work schedules should be properly posted in order to inform full-time employees of their work assignment.

It is the position of the Postal Service that management is not contractually obligated to post full-time employee work schedules.

Accordingly, this grievance is denied.

Sincerely,

Thomas J. Lang
Labor Relations Department
