Dear Mr. Hutchins:

On October 19, 1988, a meeting was held with the NALC Director of City Delivery, Brian Farris, to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

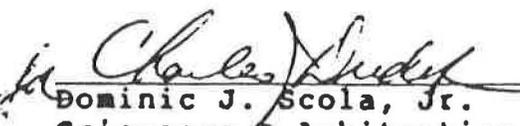

The issue in this grievance is whether management properly utilized an acting supervisor on his non-scheduled day in a craft overtime assignment.

During our discussion, we mutually agreed that an employee serving as a temporary supervisor (204B) is prohibited from performing bargaining unit work, except to the extent otherwise provided in Article 1, Section 6 of the National Agreement. Therefore, a temporary supervisor is ineligible to work overtime in the bargaining unit while detailed, even if the overtime occurs on a nonscheduled day.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

Dominic J. Scola, Jr.
