Dear Mr. Newman:

On January 28, 1975, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

A supervisor has every right to request an employee to complete a Form 3971 in order to document his inability to work overtime. The fact that the inability is the result of illness does not alter the situation. Therefore, the grievance is denied.

Sincerely,

Robert D. Bollard
Labor Relations Department
