Dear Mr. Wilson:

On April 8, 1981, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

We mutually agreed that an employee assigned to light duty in another craft pursuant to Article XIII of the National Agreement, and is declared recovered on medical review, shall be returned to the first available full-time regular vacancy in complement in the employee's former craft. This is mandated by the National Agreement.

Please sign the attached copy of this decision as your acknowledgment of agreement to resolve this case.

Sincerely,

Robert L. Eugene
Labor Relations Department
