Re: Class Action
Fort Myers, FL 33906
H4C-3W-C 2266

Dear Mr. Anderson:

On July 3, 1985, we met to discuss the above-captioned grievance at the fourth step of the contractual grievance procedure.

The issue in this grievance is whether management violated the National Agreement when establishing smaller safety groups at the Fort Myers, Florida office.

During our discussion, we mutually agreed that both the parties are bound by the provisions of Article 14, Section 4, which states, ". . . There shall be equal representation on the committee between the unions and management. The representation on the Committee to be specifically determined by the Employer and the Unions shall include one person from each of the Unions and appropriate management representatives." This section leaves no provision for any exceptions.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Sincerely,

Brenda K. Butler
