Dear Mr. Guffey:

On October 25, 1988, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether the chairman is a part of the safety committee whose membership has equal representation between the unions and management.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case. However, the parties at this level agree that the language in Article 14, Section 4, is clear. There shall be equal representation on the committee between the unions and management.

Accordingly, we agreed to settle this case.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle this case.

Time limits were extended by mutual consent.

Sincerely,

  
Sharon McGregor
