Dear Mr. Baldwin:

On January 13, 1981, we met with you to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

We mutually agreed that the temperature in the operating area of the letter sorting machine should be equal to the temperature of the workroom floor. Management will make conscientious efforts to maintain proper temperatures in the LSM operating areas.

Please sign the attached copy of this decision as your acknowledgment of agreement to resolve this case.

Sincerely,

Robert L. Eugene
