Dear Mr. Wilson:

On March 11, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

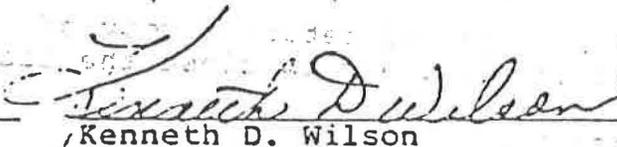

The issue raised in this case involved whether the grievants are entitled to environmental differentials set forth in Federal Personnel Manual, Supplement 532.1, Appendix J, that are paid to employees who are exposed to various hazards. The grievants contend that they were exposed to several environmental contaminants while working at the Biscayne Annex in Miami.

During our discussions, we agreed that postal employees are not covered by the aforementioned provisions. We also agreed to consider the matter closed.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to close the case.

Sincerely,

A. J. Johnson
Labor Relations Department.
