Dear Mr. Guffey:

On several occasions, the most recent being March 21, 1988, we met to discuss the above-captioned grievances at the fourth step of our contractual grievance procedure.

The issue in these grievances concerns a letter which is being issued to employees under the Accident Repeater Program.

During our discussion, we mutually agreed that management will discontinue issuing these letters under the Accident Repeater Program.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to settle these cases.
