Dear Mr. Wevodau:

On December 4, 1972, we met with you to discuss the above captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you concerning this grievance, as well as the applicable contractual provisions, have been reviewed and given careful consideration. As a result of this review, it is the decision of the Postal Service that the monthly fire extinguisher inspections, now being performed by Supervision, should be performed by the MPE personnel who formerly performed the work.

Sincerely,

Andrew A. Pettis
Labor Relations Department
