Re: Class Action
St. Paul, MN 55101-9998
H4T-4C-C 33461

Dear Mr. Guffey:

On August 9, 1988, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance is whether management violated the National Agreement by not installing the rubber flooring which was purchased for the freight elevator in the St. Paul, MN mail processing office.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case. We further agreed that this was a local issue suitable for regional determination based upon the fact circumstances.

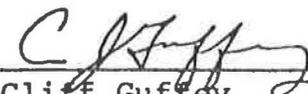

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing, including arbitration if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Time limits were extended by mutual consent.

Sincerely,

Samuel M. Pulcrano
