Dear Mr. Wilson:

On May 20, 1982, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the 1981 National Agreement.

The issue raised in this case involved one supervisor asking another supervisor if an employee had been given a discussion.

After a discussion of the issue, we mutually agreed to full settlement of this case as follows:

1. Supervisors will not exchange written notes regarding discussions.
2. A supervisor of a former employee may orally exchange information, relative to discussions, with the employee's current supervisor.

Please sign a copy of this letter as acknowledgment of your agreement to this settlement.

Sincerely,

  
Margaret H. Oliver
