Dear Mr. Connors:

On July 30, 1984, we met to discuss the above-captioned case at the fourth step of the contractual grievance procedure set forth in the National Agreement.

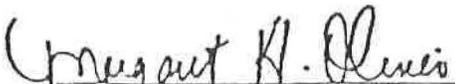

The question raised in this grievance involved whether management is improperly maintaining discipline files in the TSO.

After further review of this matter, we mutually agreed that no national interpretive issue is fairly presented in the particulars evidenced in this case. The question raised requires application of ELM 314.5 to the fact circumstances rather than an interpretation.

Accordingly, as we further agreed, this case is hereby remanded to the parties at Step 3 for further processing if necessary.

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Sincerely,

Margaret H. Oliver
