Dear Mr. Connors:

On April 12, 1984, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance concerns references in the Service History Information section of the grievant's PS Form 50's to an overturned suspension.

The facts in this case indicate that the grievant's suspension was reversed and references to the overturned suspension continued to appear in the Service History Information section of subsequent PS Form 50's.

The parties at this level agree that all references to overturned suspensions with the exception of the Service History Information section on subsequent PF Form 50's, will be removed from the Official Personnel Folders.

Accordingly, we agreed to settle this case based on our understanding that the grievant's OPF will be reviewed by local management to ascertain that the above action has been completed.

Please sign and return the enclosed copy of this decision as acknowledgment of our agreement to settle this grievance.
