Dear Mr. Wilson:

On December 8, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

We mutually agreed that this grievance does not fairly present an interpretive question.

The steward in this case is certainly entitled to the information he requested in items 1 and 2 on his information request form. Since item 3 concerns information relative to an EEO complaint, release of that information is subject to applicable federal regulations concerning such matters.

Accordingly, this grievance is remanded to Step 3 for any appropriate application.

Please sign and return the enclosed copy of this decision as acknowledgment of our agreement to remand this case.

Sincerely,

Robert L. Eugene
