RE: Q11V-4Q-C 12191832  
Class Action  
Washington, DC 20260-4101

Dear Bob,

Recently, we discussed the above captioned grievance currently open at Step 4.

The issue in this grievance is whether the Postal Service failed to honor its commitment made to the APWU in a settlement agreement reached on November 2, 2007, which rescinded the changes made to Chapters 5 and 7 of the Postal Operations Manual (POM) version 6.

After reviewing this matter, we mutually agreed that the changes previously agreed upon in the November 2, 2007 settlement shall be made to the POM as soon as possible. In addition, the parties agree the language contained in that settlement agreement is currently in full force and effect and has been in full force and effect since November 2, 2007.

Please sign and return the enclosed copies of this letter as your acknowledgement of your agreement to close this case.
