CREW RANDOM LIST

Re: Local

Dear Mr. Guffey:

On February 14, 1989, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance involved the use of the random-number table for EDITS of LSM clerks by zone rather than by crew.

After reviewing this matter, we mutually agreed that no national interpretive issue is fairly presented in this case. We further agreed that the random-number listing will be developed by crew as required by the Handbook PO-407.

Accordingly, we agreed to remand this case to the parties at Step 3 for further processing, including arbitration if necessary.

Mr. Cliff J. Guffey

Please sign and return the enclosed copy of this letter as your acknowledgment of agreement to remand this case.

Time limits were extended by mutual consent.

Sincerely,

Samuel M. Pulcrano
