Dear Mr. Morgen:

On April 14, 1983, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The matters presented by you as well as the applicable contractual provisions have been reviewed and given careful consideration.

The issue in this grievance is whether the grievant should be held accountable for a window credit shortage from a September 28, 1981, audit.

After a review of this matter, we mutually agreed that an employee involved in the Window Service Training Program shall be accountable for the amount of the credit. However, the facts in this grievance indicate there are disputes over whether the training and the transferring of accountability were conducted in accordance with Management Instruction EL-730-80-11 (Window Service Training Program) and the F-1 (Financial Handbook for Post Offices) respectively. These remaining disputes are factual questions suitable for regional determination.

Mr. John A. Morgan
