Dear Mr. Guffey:

On October 11, 1989, we met to discuss the above-captioned grievance at the fourth step of our contractual grievance procedure.

The issue in this grievance involves the use of seating devices at the induction station of the Small Parcel and Bundle Sorter (SPBS).

During our discussion, we agreed that this issue is currently being evaluated at the National level. Therefore, we agreed to hold this case in abeyance at this level pending the outcome of the test program.

Time limits were extended by mutual consent.

Sincerely,

  
John Leonard
