To the Women and Men of APWU,

During these uncertain times, I want to take a moment to thank you for your efforts keeping the mail moving and our communities connected. You provide the prescriptions and parcels that keep us supplied, and letters from loved ones that lift our spirits. Your service is foundational to our country, critical to our daily lives, and what enables people to stay home as we fight this pandemic together.

Thank you as well to APWU leaders, for lifting up your members' voices and advocating for safe and fair working conditions. During these difficult times and always, please know that you have my full support and appreciation.

All my best,
