

Effective with the issuance of the new checklist, functions itemized on the list will normally be performed by MPE-7 Mechanics. When MPE-6 Mechanics are assigned to perform these functions, however, they will be compensated at the level 7 rate of pay for the period of time involved.

This action is being taken in a mutual effort to settle this grievance and, simultaneously, minimize the probability of a recurrence of similar grievances.

Please sign the attached copy of this letter as your acknowledgment of the agreed to settlement.
