Dear Mr. Neill:

On September 10 we met in prearbitration discussion of H1T-5H-C 29378, Woodland, California. The question in this grievance is whether custodians with SF-46s should be paid higher level pay while driving postal vehicles to the carwash.

It was mutually agreed to full settlement of this case as follows:

Lower level employees performing any duties requiring an SF-46 will be paid at PS-4 rate of pay.

Please sign and return the enclosed copy of this letter acknowledging your agreement to settle this case, withdrawing H1T-5H-C 29378 from the pending national arbitration listing.

Sincerely,
