CLERK CRAFT CAREER EMPLOYEES

Rights & Benefits at a Glance

ON BEHALF OF THE AMERICAN POSTAL WORKERS UNION, CONGRATULATIONS ON YOUR CAREER APPOINTMENT!

The Collective Bargaining Agreement (CBA), which is the contract between the APWU and the USPS, covers all aspects of your career appointment related to wages, hours, working conditions, and benefits. Collectively we fight to continue protections against layoffs, reduce outsourcing of our work, improve working conditions, and win good salaries for the services we provide to the American public. Here is a brief overview of some of the benefits the APWU has achieved in negotiations on your behalf:

TYPES OF CAREER POSITIONS IN THE CLERK CRAFT

Full-Time Regular (FTR)

FTR in a Non-Traditional Full-Time duty assignment (NTFT)

Part-Time Flexible (PTF)

PROBATIONARY PERIOD

PSEs who are converted to career in the Clerk Craft that have already served 1 year as a PSE will not be required to serve a probationary period after conversion to career.

SENIORITY PROVISIONS

On your behalf, the APWU has negotiated basic seniority rights. As a career employee there are provisions of the CBA in which your seniority date will be an essential benefit such as: job bidding, vacation planning, involuntary reassignment (excessing), and various provisions established at the local level.

REGULAR PAY INCREASES

Career employees receive regular wage, and step increases in accordance with the CBA. Grades 5-7 will have a new top step effective September 19, 2026. The current wage and step progressions are as follows:

PS Grades	Entry Level & Top Step	Waiting Period Between Steps
4	II/I	36 weeks
5-7	FF/J	36 weeks
8	A/P	30 weeks
9-11	D/P	30 weeks

FULL COST OF LIVING ADJUSTMENTS (COLA)

During the life of the 2024-2027 Contract, eligible employees covered by the CBA will receive a COLA, twice per year, if the Consumer Price Index (CPI) increases. In the event the CPI falls, we do not take a reduction in pay.
