Subject: Withholding Completion - AZ-NM District - Glendale, AZ

Dear Mr. Gonzalez:

The clerk excessing at the Glendale, AZ Post Office has been completed due to the National Notification dated January 12, 2026, that stated Glendale-Main Office is no longer going to be a spoke office for the launch of the Phoenix-North Valley S&DC on June 13, 2026.

As a result, the City Carrier operation will remain at the Glendale-Main Office and there will not be a need to reduce Clerk staffing.

Please contact me if you have any questions.

Thank you.
