The Safeguard American Voter Eligibility Act, also known as the SAVE America Act, does nothing to “save” America. In fact, it represents a significant threat to our democracy.

Passed by the House on February 11, this bill would make it significantly more difficult to register and vote in elections. If passed and signed into law, S. 1383 would impose strict new ID requirements on anyone registering to vote, require a copy of ID to be included with mail-in ballots, and cause more voter roll purges.

YOU can help! Please call our Legislative Hotline today at 844-402-1001 and tell both of your senators to stop this undemocratic power grab by voting NO on S. 1383, the SAVE America Act!
