SUBJECT: Regional-level Notification of Article 12 Reduction in the Number of Employees in an Installation Other Than by Attrition  
NALC – City Carrier Craft  
Pacific Palisades Post Office

Dear Allan,

In accordance with Article 12.5.B.4 of the USPS/NALC National Agreement (NA), this is Regional-level notification of a NALC Craft reduction in the number of employees in an installation other than by attrition, pursuant to Article 12.5.C.5 of the USPS/NALC NA, at the Pacific Palisades Post Office.

As a result of route inspections/adjustments in the Pacific Palisades Post Office, there is no longer enough work in the City Carrier Craft in the Pacific Palisades Post Office to keep all full-time regulars gainfully employed.

As a result of the aforementioned reduction in workload, the installation will have an impact to the City Carrier Craft staffing in the following manner:

<b>INSTALLATION</b>	<b><u>NUMBER/ CLASSIFICATION OF IMPACTED EMPLOYEES</u></b>
Pacific Palisades Post Office	5 Q1 Full-Time Regulars (FTRs)
Pacific Palisades Post Office	2 Q2 Full-Time Regulars (FTRs)

The total impact for the subject installation is seven (7) Full-Time Regulars, and it is anticipated that attrition alone will not be sufficient to avoid excessing outside of the craft and/or installation.

Any involuntary reassignments of impacted employees will be implemented in accordance with Article 12.5.C.5 of the USPS/NALC NA.

Attached please find the following documents, relative to the subject impact:

- Workhour Impact Report
- Route Inspection/Adjustment documentation from Pacific Palisades Post Office
- WebCOINS data showing city carriers in Pacific Palisades Post Office

- Listing of offices within 100 miles of Pacific Palisades Post Office
- Map of offices within 100 miles of Pacific Palisades Post Office

Based on the attached, this is notification that sufficient number of full-time residual vacancies in all crafts, level(s) 7 and below within the impacted installation and the surrounding 100 miles, will be withheld in accordance with Article 12, Sections 5.B.2 and 5.C.5 of the USPS/NALC NA, up to the number indicated above.

It is expected that implementation of the above-referenced impact will occur on November 14, 2026.

At your first availability, please contact Adrian Arriaga at (661) 651-0332 to discuss the above-referenced impact.

Sincerely,
